

MEDIAM PERFORMANCE PALLETS ECO-08HD

Export quality pallets suitable for all types of packaging like jumbo bags, boxes, bulk material. unique square dimensions (1100 x 1100 x 150 mm) made of high-quality polymers. Ideal for containers. use on conveyor belts in auto-packaging systems. and excellent in export -one-way pallet. A benchmark for export packaging applications and price.

DETAILS:		OPTIONS ON REQUEST:	
Dimensions (L x W x H) mm	1100 X 1100 X 150	Color	
Upper Surface	Mesh Surface	Logo	Printed / Engraved
Product Design		Lips	
Standard Color		Freeze	

ADVANTAGES:

- Anti-impact perimeter
- Large window operations for easy handling
- Plastic pallets have fewer or no repairs.
- Plastic pallets improve efficiencies due to standard dimensions and lack of broken board.
- Plastic pallets offer better product protection no nails or broken boards to damage payload.
- Plastic pallets offer better stability no damaged or missing boards causing spills or falling stacks.
- Plastic pallets improve safety and lower workers compensation claims.
- Plastic pallets allow for greater utilization of warehouse space stability and higher stacking

RECOMMENDATIONS FOR USE:

- ✓ Do not stack more than 30 pallets, which is equivalent to a height of 4.65 m when empty.
- ✓ Once stacked in height check that they are properly fitted.

- The values indicated are approximate and are based on practical experience and ISO 86111-, evenly distributed load over pallet surface, at ambient temperature (23 C) for a specific time. Different load conditions produce different values that have to be checked at the customer's request. Any deterioration or breakage in the pallet may vary these results.
 - Due to the characteristics of plastic materials and manufacturing process, the dimensions and the weight of the pallets may present certain tolerances.
 - The specification can be affected in case of alteration of the product with parts and / or materials different from those approved by the RePal quality department.
 - RePal reserves the right to modify any information herein indicated without prior notice.
 - Any warranty, specification or liability on the part of RePal will be terminated in case of modification of the product with spare parts not supplied.
